Operations )

Case No. AP-2004-164

Applicant seeks a certificate of authority to transport passengers in irregular route operations between points in the Metropolitan District. The application is unopposed.

The Compact, Title II, Article XI, Section 7(a), authorizes the Commission to issue a certificate of authority if it finds that the proposed transportation is consistent with the public interest and that the applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

Applicant proposes commencing operation with one motorcoach. Applicant's proposed tariff contains rates for individually ticketed sightseeing tours in the Washington Metropolitan Area and in Baltimore, Maryland area. Baltimore is outside the Washington Metropolitan Area Transit District as defined in Article I of the Compact. Accordingly, we express no opinion as to whether applicant is fit to provide irregular-route service in the Baltimore area or whether such service is consistent with the public interest.<sup>1</sup>

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

<sup>1</sup> See In re Call-A-Messenger, Inc., No. AP-80-24, Order No. 2137 (Sept. 15, 1980) (approval of service or rates to Baltimore).

Based on the evidence in this record, the Commission finds that the proposed transportation is consistent with the public interest and that applicant is fit, willing, and able to perform the proposed transportation properly, conform to the provisions of the Compact, and conform to the rules, regulations, and requirements of the Commission.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 1034 shall be issued to Guides to America Tours, 10611 Mary Carroll Court, Upper Marlboro, MD 20772-7416.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until Certificate No. 890 has been issued in accordance with the preceding paragraph.
